Beautiful & Thriving.

Nestled between the mountains and the sea, Camden, Maine is the quintessential coastal community. Our historic downtown is full of independently-owned unique businesses, a treat to residents and visitors alike. The town is reminiscent of the times when downtowns were thriving—brick buildings, quaint side streets and a bustling harbor filled with boats.

Historic

From Camden Hills State Park overlooking all of Penobscot Bay, to the Camden Snow Bowl, you'll find history comes alive. The Camden Public Library Complex features Harbor Park and the Camden Amphitheater (pending designation as a National Historic Landmark). In our harbor, you'll find Schooners dating back to the turn of the century, ready to take you on a sail.

Big Events.

Historic Camden Opera House in downtown Camden is home to many events and conferences, garnering thousands of attendees from all over the world. From winter through fall, there's always something to do.

Food & Fun.

There are many opportunities in all four seasons for outdoor activities, including miles of trails for mountain biking and hiking, Penobscot Bay, the Atlantic Ocean, rivers and lakes for boating and fishing, downhill and cross-country skiing, snowshoeing and tobogganing. There's also four star lodging and restaurants with national recognition, including many endorsements from the New York Times.
