

Report a street light out

To report a street light not working please call 236-3383 or email rseibel@camdenmain.gov, or jesancy@camdenmaine.gov.

Describe the problem, the light is not working at all or cycles on and off etc.

Provide the pole number (CMP# ____)

Give the physical location – intersection, in front of house #____ etc.

Most street lights are owned and maintained by Central Maine Power. When you report a malfunctioning light to us we fax the information to CMP for repairs. It may take CMP 2 to 4 weeks to make repairs depending on their work load.

The ornamental street lights downtown are owned and maintained by the Town of Camden. Call 236-7954 or 236-3383, or email the same as above to report a light not working.
