- Minutes from July approved
- New agenda items – none
- CEDAC – strategic plan discussion – public – sept 8, 5:30, High Mtn Hall. Economic Development for Camden. Will have speakers on key topic areas – five/six of them. Discussion of bridge support or not. Committee position is the Riverwalk is a higher priority. **Action:** Lisa volunteered to go and Anita
- Input to the Riverwalk Coalition on design elements for the Tannery section:
 - anyone should be able to use
 - Surface – high quality stone dust like Acadia
 - How wide - 8 feet
 - Meandering, varying width
 - Benches with pullouts
 - Lighting – no
 - Property definition – not initially, maybe consider in the future depending upon sale of Tannery.
 - Trash cans – yes
 - Plastic dog poop dispensers – yes – on each end
 - Picnic Tables – group was split
 - No plowing no salt

- TEP – Geoff to speak with MDOT on why 80/20 when Safer Routes is no match. Options – town puts it in budget. Or we put it out for a special town warrant. Roberta spoke out and supported saying we'd find the funding. We'll have to see if we obtain funding and then approach the 'How' again.
- RTP – **Action: Geoff** to speak with Jeff K/Ian Stewart on MCC looking at the Tannery alignment
- Rawson Ave – **Action: Anita** will speak again with CMLT about options for property
- Priorities in Master Plan – Anita – John St move down to middle priority with the Pearl St connection. Change the middle priority Mechanic Street Ext to only go to Cobb Road. It was decided to table the rest of this discussion until the Committee had sufficient time to review. Will pick up next meeting.
- Adjourned 9:00 pm.
