**Meeting Notes**

Attendees: Peter Gross, Martin Cates, Ellis Cohen, Dan Bookham, Lowry Sargent, Jim Fullilove, Mathew Eddy, Roberta Smith, Kipp Wright and John Arnold

1. Minutes from 8/26/10 meeting accepted
2. Gateway 1 RFP  
Mathew informed the attendees that DCI has begun work on the inventory phase. As expected they have moved quickly in getting started. Completing the work by November 1 may be a challenge.
3. Strategic Plan Discussion  
Mathew offered his summary of the September 8 strategic planning session. Mathew also provided an analysis of the session input that brought together the ideas into theme areas and added the input of the Town department heads. The Town department head input in many cases complemented the input received on September 8.  
  
The attendees extensively discussed the 9/8 session and provided input on Mathew's meeting analysis.  
  
The next steps are to organize further the meeting input and coordinate that with the results of the demographic and DCI business inventory work.  
  
Mathew hopes that we will be ready for a proposed October 6 follow-on public meeting to be held hopefully at the Knox Mill. At that meeting Mathew plans to review the SWOT analysis and facilitate discussions on priority setting.
4. Roberta informed the attendees that the TIF set aside balance was currently about \$20,000.
5. Meeting adjourned at 7:02 PM – Next Meeting September 23 at 5:30 PM
