**Guests:**

**Action Items from meeting**

Lynda to send final copy of C-R Pathways Committee Master Plan to Stacey  
Geoff to send drawing and vision of Hannaford area pathway and esplanade to the Camden  
Select Board.

Anita to kickstart the committee on the Camden entrance at John St.  
Create event on Facebook for Ribbon Cutting for Riverwalk - Leni

**August Minutes.** – accepted as written.

**Warrenton Ave.** – Helen believes the plans for Warrenton Ave. need to be revisited in light of the  
Brewster Point Sale. Needs to be back on agenda as agreements did not transfer.

**Erikson Field**

Mac to follow up on date of meeting with Maine Coast Heritage Trust regards the trail at Erickson  
Field

**Seabright**

Geoff just received the letter from Ian Stewart to Pat Finnigan and the Select Board about moving  
forward with the trail license. Now working to get on the agenda for Camden Planning Board for  
October meeting. Letter on trail license was key to moving forward.

### **Camden Planning Board**

Geoff asked the status of the two town group put together to talk about the Route 1 corridor along Hannaford/John St/Conway St. No meetings have been held. Construction of sidewalk to Maritime Farms extending to Leonard's should not be held up awaiting a vision for the corridor. Do we want to put in a suggestion for the design of this section of Route 1? There seems to be confusion as to who is moving the visioning process forward since Brian Hodges left the position of Development Director for Camden. Anita will try and kickstart the group into meeting and moving forward. Geoff will send the drawing and vision to the SB for the pathway and esplanade.

### **Camden Riverwalk Ribbon Cutting Event**

Event to go on as planned. Leni will create a Facebook event and Wyatt and Owen will post flyers. Leni will have the Rotary tent ready by 9am on the day of the event. Committee members have agreed to provide baked goods. Owen will bring over tables. Eliza will make posters. Geoff will do a scavenger hunt. Wyatt's wife will do face painting. Wyatt will confirm band.

### **Guiding Principles – Camden Riverwalk Master Plan**

Geoff presented the principals to the Camden Parks and Rec Committee and they came back with suggestions. hat about performances, parades, bicycle and non-motorized traffic? Take off as too many discouraged uses. Needs to be presented again to the Parks and Rec Committee. Landon wants to redo the prose opening before October meeting.

Meeting adjourned at 9:00pm.
