7:00 pm  
Camden Town Office**

**Begin 7:10 pm**

**Sani, Anita, Robert, Kathleen, Geoff, Leni**

**Feb Minutes – District Coordinating Council – add to minutes. Add “update Leonard on Committee work.”**

**Action – Geoff to speak with Ken on whether Rockport Parks and Rec taking on project for map content in Rockport. Happening?**

**Anita Action – send BCM article onto Lynda re John Anders and Muddy Wheel Award.**

**Robert shared green article**

**Riverwalk – Geoff update. 11 proposals, using set of scoring metrics narrowed to three. Those three were given the opportunity for a 1 hour presentation and reference checks were done. TY Lin was chosen, and approved during the 3/5/13 Camden SB meeting. Anita will be the designated representative on this project committee going forward with Kathleen and Robert as alternates.**

**Leni – Rotary grant cycle is April and fall. Leni attending a special training this weekend regarding.**

**Leni reported that despite his efforts he was unable to get info regarding input on the Harbor Walk in Rockport. Sani confirmed that things have been built without input from the community. Leni will continue to try to figure out what's going on so that Pathways can have some input.**

**Anita – pointed out an article about a physical teacher in Kennebunkport who teaches all her 3<sup>rd</sup> graders to ride. And the 4<sup>th</sup> graders going to another school have filled the bike racks there, attributed to her work with them the prior year. Our committee needs to start working on long term outreach to promote kids riding bikes and/or walking to school.**
