

Camden Rockport Bicycle and Pedestrian Pathways Committee
Rockport Town Office, Minutes
March 10, 2011
7:00 pm

Present: Geoff Scott (minutes), Richard Stetson, Ellen Simmons, Anita Brosius-Scott,
Helen Shaw

- Minutes from February approved
- New agenda items - none
- Aldemere Aldemere – tabled to next meeting.
- Gateway I – suspended, members feel there's good collaboration going on, and want to continue those efforts despite the State formally suspending the effort. Questions remain as to how work could continue with the State. Moving forward – drafting a letter to Governor and MDOT with many questions. Hopefully questions will be answered and then next steps will be considered. Definitely Transit Sub-committee that had just put out an RFP for a study of communities has been terminated and RFP has been terminated as well. **Action- Anita** will continue to monitor actions of this group.
- Rawson Ave – general idea would be to have Land for Maine Futures buy the easement. Geoff to look into grant app. Was there someone willing to do a grant app in the past? No one remembers. If Friends of Pathways purchased, a 501c3 doesn't pay property tax. **Action - Geoff** to speak to Roberta and SB to consider paying for survey for easement.
- Rawson Ave property #2 – still trying to get this process started.
- Next Meeting Apr 14th
