

Parking in Camden, Maine

Parking in Camden is very convenient. We have 2 large **parking lots** with **free all day parking** that are a short walk to shops and restaurants.

All Day Parking Lots

Knox Mill Parking Lot: 100 spaces

This lot (**A** on the map) is located at the Knox Mill between Knowlton Street and Washington Street. Look for the blue and white P signs, and the yellow Farmers Market sign at the entrance.

Washington Street Parking Lot: 64 spaces

This lot (**B** on the map) is located next to the Camden Public Safety Building, which is across from the Knox Mill parking lot. Look for the blue and white P sign.

On-Street Parking

On street parking is a **maximum of 2 hours**.

On-street parking spaces are intended for visitors and customers who only need to park for a couple of hours. We encourage employees to park in the parking lots and not worry about getting a ticket.

Moving vehicles every 2 hours to a different parking spot is a violation of the 2-hour limit and may result in a ticket and a fine. The Town does not want you to get a parking ticket. Please observe the 2 hour time limit, or park in the *all-day, free* parking lots.
