- Riverwalk Master Plan - What's the difference btwn TY Lin and Riverwalk Master Plan document? It would be a more operational plan; it would include guidelines for use, guiding rules. Is clarity still needed after TY Lin report? Yes. We need to provide general directions to help determine future amenities among other things. **Action – Robert** will come up with a draft for the group to consider.
- **Geoff or Mac – Action** invite Eliza Haselton to join committee.
- Peopleforbikes – letter of interest. Mac filed by deadline for the lower section of the Riverwalk, from Knowlton to the Middle School. This grant funds up to 50% of the cost, up to a maximum of \$10K. Costs will include permit, engineering, surveying. Basically getting the section shovel ready.
