

Camden Rockport Bicycle and Pedestrian Pathways Committee
Camden Town Office, Minutes
Feb 6, 2013
7:05 pm

Present: Geoff Scott (minutes), Kathleen Bachus, Ken McKinley (Select Board Liaison), Helen Shaw, Sani Fogel, John Anders, Leni Gronros, Anita Brosius-Scott, Lynda Clancy, Robert Davis

- Minutes – Feb minutes approved as written. Correct “DRAFT” on Dec minutes.
- Discussion and selection of a Vice Chair. Leni Gronros will be the Vice Chair for the Pathways Committee.
- Ken reported out on the joint Rockport/Camden Select Board meeting/workshop. A good portion of the time was spent the Pathways Committee as a successful model for a two town committee. One idea that came out of the meeting (Lookner idea) is to create an application that highlights things to do in the area. This would be a mobile app not only for local sites of interest, but also new info for residents on things happening around town. Recommend that first step is for Rockport to create content, similar to the work that Camden Parks and Rec Committee did to create their map of places of interest. Then use this and Camden’s map info as initial content for the app, probably contracting someone locally to do the work.
- Idea – put forward interesting articles to the SB via our liaisons. Lynda will be the gateway. Everyone email her articles of interest. Lynda will control the flow to make sure we don’t overwhelm the SB.
- PR – **Geoff Action** – find the sequence of articles we agreed.
- DCC meeting – John (and possibly Robert) will attend. Helen reported Bill Chapman will also be attending.
- **Geoff Action** - check in with Leonard.
- Riverwalk - Geoff reported we’ve received another letter of agreement expressing willingness to work with the town on an easement across their property.
- Sidewalk inventory – Camden – incomplete. **Geoff – Action** – follow up with Rick Seibel to make sure that Rick is considering the survey (as far as we’ve got) in his budget/work plans for 2013-14.
- Completing Sidewalk Camden inventory – **Action Geoff** to complete. **Action Anita**- to send what needs to be done.
- Green Downtown Network – **Action Anita** will look into what’s required to get certification. We’ll drop it.

8:10 pm - adjourned

Next Meeting March 6th
