- Geoff reported out on Seabright Riverwalk meeting with CMLT. Also present were Julie Isbill from NPS, Landon Fake, and Will Gartley. Doug Sensenig, Ian Stewart, and Jackie from CMLT met with us and discussed options for alignments. They've asked that we provide additional background information about plans for the Seabright Riverwalk. They also would like to have a site plan for the alignment. Eliza volunteered to help preparing materials for the planning board review. **Action – Geoff** to send example to Eliza. What can we do to help make this path be the least invasive to the natural environment there. Agree to press for MCC coming on a weekend so we can get volunteers.
